拥抱释义

Embrace Conception

「皮皮灰面包」是由两位女生主理人共同创立的烘焙品牌。品牌名源于她们的爱猫“皮皮灰”，融合猫咪的陪伴感与面包的温暖，为消费者传递一份独特的温情体验。

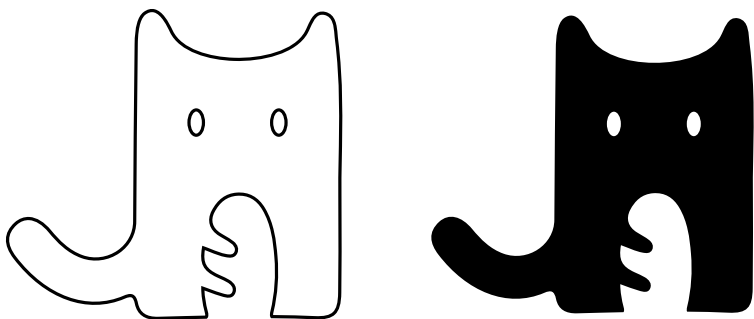

Logo 设计需巧妙融入猫元素，并传达面包所蕴含的爱与温暖。

为此，我们融合三种核心元素，力求精准呈现这份感受。

"Pipihui Bread" is a baking brand co-founded by two female managers. The brand name comes from their beloved cat "Pipihui", which combines the companionship of the cat with the warmth of bread to deliver a unique warm experience to consumers.

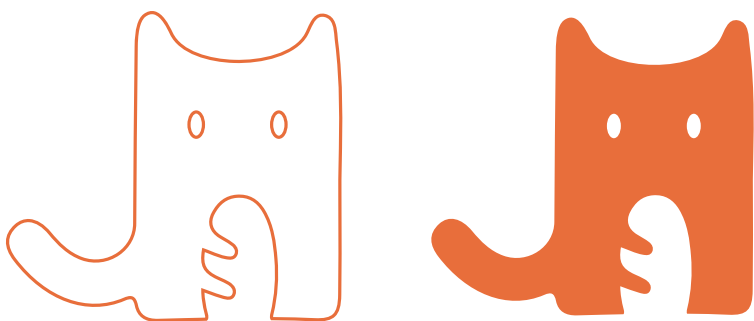

The logo design needs to cleverly incorporate cat elements and convey the love and warmth contained in the bread.

To this end, we combine three core elements to strive to accurately present this feeling.
