本次国际营以跨国交流、陶艺共创为核心理念,孩子们将逐步融入集体生活,结识海内外同龄小伙伴,丰富国际视野、收获五湖四海的珍贵友谊,完成全方位成长历练。本次活动所以外出由市交警车队全程护航,出行交通安全多方恪守;随行配备24小时专业医护人员,120急救车辆全程守候。课程导师一路保障学员的起居生活、情绪变化、学习收获等全方位感受,全过程零担忧,

Dear Parents,
greetings! All participants of the Shiye International Youth Co-creation Camp have arrived safely at the campsite, and the camp program is about to officially begin.
Centered on the core concepts of cross-cultural exchange and collaborative pottery creation, this international camp offers children the opportunity to integrate into group life, meet peers from both home and abroad, broaden their global horizons, forge precious friendships with participants from diverse backgrounds, and achieve comprehensive personal growth. For all excursions, the group will be escorted by a municipal traffic police motorcade, ensuring strict adherence to safety protocols; a professional medical team will be on duty 24/7, accompanied by an emergency ambulance on standby throughout the event. Program instructors will oversee every aspect of the students' experience—including daily living, emotional well-being, and learning progress—ensuring a worry-free journey from start to finish.
We are fully prepared to handle any issues that may arise, so please rest assured.
